

About EuroClimateJobs

EuroClimateJobs is the best European recruitment medium to find Climate/Environment Professionals across the region.

EuroClimateJobs is a one stop shop to find candidates for jobs in Renewable Energy, Climate, Environment, Sustainable Finance, Climate & Energy Regulation & Policy. The site includes experts from all over Europe in all of these areas and more.

EuroClimateJobs attracts thousands of candidates with skills ranging from engineering, scientific degrees over economics and legal regulation to communication and PR, all with experience and interest in climate, sustainable energy and the environment. Most of these candidates are educated to degree level and are highly mobile, the vast majority speak English plus often several other languages.

EuroClimateJobs Audience

- 40'000 monthly sessions
- 200'000 monthly page views
- 30'000 unique visitors
- Over 20'000 individual Job Alerts sent each week

• Data is updated January 2026, for latest statistics see the [EuroClimateJobs Recruiter page](#).

Testimonials

"The website is actually very user friendly. We got enough responses, which were mainly from qualified engineers. Thanks for fruitful cooperation! I may also add special thanks to your sales and customer service team! We got qualified assistance and were contacted by competent and friendly personnel."

Key Account Manager, Nieveldt Ingenieur GmbH

"Club Climate Europe is extremely happy with the service provided in posting and managing our job announcement for the President of the Board on EuroClimateJobs. EuroClimateJobs provided excellent service. We got superior applications from all over Europe."

PhD Angele Kedaitiene, CEO, Club Climate Alfa
